

VPAC-CODES

Values, Principles, And Concepts for a Culturally Organized Discipline Enhancement System

Copyright © P.E.A.K.S. Educational Systems, 2017. All Rights Reserved.

VALUES

Step 1: Clarify the key features of the organization's belief system, as far as what is "right" for those who operate within it, what is constructive, and what the organization stands for.

PRINCIPLES

Step 2: Write a fundamental statement that corresponds with each of the values listed above.

CONCEPTS

Step 3: Determine specific modes of operation, as far as how the organization will function, and what will be done to ensure the values and principles are upheld (through authentic, intentional actions).
